Meet the NGCP Youth Advisory Board!

February 01, 2022

NGCP Vision

The vision of the National Girls Collaborative Project is to **support and create STEM experiences that are as diverse as the world we live in.**

Our Goals

Connect + Create + Collaborate

1

Maximize access

to shared resources within projects, and with public and private sector organizations and institutions.

2

Strengthen capacity

of existing and evolving projects by sharing exemplary practice, research, and program models, outcomes, and products.

3

Create the tipping point

for gender equity in STEM by using the leverage of a network and the collaboration of individual girl-serving STEM programs.

NGCP Activities

- Network Partnerships
- IF/THEN Collection
- The Connector
- FabFems
- National Webinars

MILLION GIRLS MOONSHOT

National Network of Collaborative Teams

- NGCP programs and partners are in every state
- With 33 Collaboratives that support 41 states
- Together, we facilitate collaboration across 42,500 organizations
- Serving 20.2 million girls and 10 million boys
