The National Girls Collaborative Project (NGCP) **brings together organizations** that are committed to informing and encouraging girls to pursue careers in science, technology, engineering, and mathematics (STEM).

NGCP Goals

1. **Maximize access** to shared resources within organizations interested in engaging girls in STEM.
2. **Strengthen the capacity** of programs by sharing exemplary practice research and program models.
3. **Use the leverage of a network** to achieve gender equity in STEM.

Introduction to Wonder Park

Katherine MacDonald,
Vice President of
Production and Marketing,
Paramount Animation

WONDER
PARK

The image features the words "WONDER PARK" in a large, bold, 3D font. The letters are white with a thick red outline and a slight blue gradient on the front face. The text is arranged in two lines: "WONDER" on top and "PARK" below it. A roller coaster track, consisting of a blue rail and red wheels, is intricately woven around the letters. It loops through the 'O' in "WONDER", the 'P' in "PARK", and forms a large loop around the right side of the word "PARK". The entire graphic is set against a solid black background.

The background of the poster is a vibrant night sky filled with colorful fireworks in shades of purple, pink, and white. A blue and red roller coaster track winds through the scene, looping around the large title text. The title 'Wonder Park' is rendered in a bold, 3D, blocky font with white faces and thick red outlines. The word 'Wonder' is on the top line and 'Park' is on the bottom line, both in all caps.
