Tara Cox: <https://ngcproject.org/>

Suzi Taylor: Hi from Suzi Taylor - Montana State University and Montana Girls STEM Collaborative

Brenda Britsch: Welcome everyone! I'm Brenda Britsch with NGCP. Looking forward to this webinar!

Lise Mitchell, GLADL: Hello from libraries in Michigan

Angela Fitzgerald: Angela Fitzgerald, Director of Programs, The STEM Connection, Indianapolis, Indiana

Nicole Devine: Hi! I'm joining from Saint Louis and work for Girl Scouts!

Milinda Rambel Stone: Hello Everyone! Milinda Rambel Stone/South Dakota /PhD Cyber Defense student at Dakota State University.

Tara Cox: Welcome everyone!

Rebecca: Rebecca Brown from Georgia, work in a public library

Lise Mitchell, GLADL: LEAP is cool

Tara Cox: We're so happy you were all involved 😊

Tara Cox: <https://scistarter.org/citizensciencemonth>

Adrienne: amateur research/observations

Suzi Taylor: Everyone is a scientist!

Nicole Devine: Everyday people contributing data to scientific research

Adrienne: no special credentials needed

Angela Fitzgerald: Community members taking an active role in scientific studies

Adrienne: all of the above!

Suzi Taylor: Ditto!

Kata Lucas (she/her): All!

Nicole Devine: Not C

Kata Lucas (she/her): C

Kathy Chen: C doesn't collect data

Adrienne: Planting the garden?

Rebecca: All but the pollinators

Adrienne: it could be called citizen conservation?

Nicole Devine: I just led a Citizen Scientist program last weekend at Girl Scout camp :)

Rebecca: Very interested in hearing about that program!

Tara Cox: So cool Nicole! Did you add your impact to the One Million Acts of Science Campaign?

Adrienne: Were the GLADL activities linked with a reading list/book club?

Nicole Devine: Think Like a Citizen Scientist for juniors and cadettes. We uploaded our pictures onto the city nature challenge and I put it in for the million acts. The girls loved the iNaturalist app!

Tara Cox: Love it!! Report your Act of Science here: <https://scistarter.org/citizensciencemonth-report>

Tara Cox: Wow Lise! Great stats 😊

Tara Cox: Amazing work Lise, thank you for sharing.

Amanda Sullivan: I have been seeing some great questions coming through in the Q&A! If anyone else has questions feel free to pop them into the Q&A or put them here in the chat and we'll ask our speakers soon.

Tara Cox: It's like the "real" Pokémon go
